Only eight hours from Chicago, three hours from The Twin Cities and an hour from Duluth/Superior. Your cabin is located on the Chippewa Flowage (140 islands – 200 miles of shoreline). Even if the snow is only so-so, there are still plenty of places to go on The Big Chip. Enjoy the quiet and solitude of Wisconsin's Northwoods or hop on your sled and find where the action is! 500 miles of trail are right out your front door, and that is just Sawyer County! We adjoin seven counties with their own trail systems. That is thousands of miles of trail, enough to keep you busy all winter. We have a great restaurant/bar on site to help get you ready for the trail or offer you a place to unwind after a long day of sledding. Check us out
